Online gokkasten draaien vaak helemaal om de bonus features of gratis spins rondes. Het basisspel is vaak relatief saai, maar zodra je een bonusronde weet te activeren, loopt de spanning hoog op en kun je op het puntje van je stoel gaan zitten bonuses. Tijdens bonusrondes is de kans op een enorme prijs namelijk een stuk hoger. Je moet vaak echter lang wachten om een bonusronde vrij te spelen, en dat kan je een hoop geld kosten. Als je gratis speelt, kun je zo lang doorspelen en zo veel inzetten als je wilt, waardoor het makkelijker is om bonus features te activeren.
