Reclame voor online casino's is verboden in Nederland. Ze volgen daarmee buurland België die deze maatregel al eerder invoerde. Daarom gaan online casino's op zoek naar andere manieren om hun klantenbestand uit te bouwen, en de bestaande spelers aan hun casino te binden. Dit doen ze vooral door welkomstbonussen en promoties of loyaliteitsprogramma's voor de spelers met een account.

Er is in Nederland een mooie waaier aan betaalmethoden die door de Ksa zijn toegelaten. Maar er zijn er ook die absoluut niet kunnen. Betaalmethoden die anoniem zijn, of waar de oorsprong van het geld niet helemaal te achterhalen is, mogen niet. Voorafbetaalde kaarten, bepaalde e-wallets en cryptomunten zul je daarom in geen enkel legaal Nederlands casino vinden. Deze betaalmethoden kunnen wel:

Het bekende spel uit de kantine en de feestzalen, maar nu in een elektronisch jasje. Dankzij software hebben de online spellen meer mogelijkheden, al blijven de basisspelregels ongewijzigd. Er zijn online casino's die aparte bingo kamers hebben waar dikwijls dezelfde bezoekers met elkaar nieuwtjes uitwisselen via de chatbox.

In de pokerroom kunnen de spelers pokeren tegen echte tegenstanders. Deze vorm van online pokerspelen benadert het meeste het echte pokerspel aan fysieke tafels. Je kunt er deelnemen aan bekende wedstrijden en belangrijke toernooien.
