When evaluating casinos online, we take into consideration a number of factors. These include their welcome offers and regular promotions for existing players, which will be our key focus in this review.

## Gambling

A range of therapies exist for those with gambling disorder. Currently, the most effective are long-term cognitive behavioural therapy or motivational interviewing. Self-help, pharmacological interventions and mutual support have less evidence of efficacy, although the latter are among the most used interventions. Some evidence supports internet-based therapies, although attrition is a significant issue.

The Netherlands Gambling Authority (Kansspelautoriteit, Ksa) is an independent administrative body and the supervisor and regulator of gambling services in the European part of the Kingdom of the Netherlands. We are funded by the industry through gambling levies. The Ministry of Justice and Security bears the political responsibility for gambling policy in the Netherlands.

Gambling views among Protestants vary, with some either discouraging or forbidding their members from participation in gambling. Methodists, in accordance with the doctrine of outward holiness, oppose gambling which they believe is a sin that feeds on greed. Other denominations that discourage

gambling are the United Methodist Church, the Free Methodist Church, the Evangelical Wesleyan Church, the Salvation Army, and the Church of the Nazarene.
