There aren't that many gambling games where Dutch fans can be particularly proud of someone who brought fame and national pride thanks to gambling skills. As a matter of fact, it's pretty barren out there, with the slight exception of poker, where several Dutch individuals have managed to achieve something and make a name for themselves here and there.

More than 65% of all gambling fans disclosed these gambling products as their favourite. We are happy to report that each casino will be able to excite you with some of the hottest and most exciting table games you can find in the realm of online gambling in the Netherlands. Below, we have outlined the best Dutch casino games for real money and their respective RTP in a categorised manner:

Gambling industry groups typically strongly oppose high-impact regulations and other measures that affect their commercial interests. Corporate political activity is widespread and effective in protecting the interests of these businesses. The research sector has also been influenced by industry using funding and other support. Limiting the capacity of vested interests to influence the research agenda and public policies are among the key public health objectives.

As it's part of Casino Guru's mission to help players find the best and safest online casinos, including the best slot machine websites, all sites listed on this page have been through an in-depth review process performed by our independent casino review team.

Hacksaw Gaming began in 2017 with a focus on scratchcards, offering a fresh take on an often-overlooked format. The straightforward approach to design and gameplay soon extended into slots, earning the studio a reputation for clean aesthetics and high-volatility mechanics. Unlike casino game developers who lean into elaborate visuals, Hacksaw keeps things minimal, drawing attention to the gameplay itself.

In 2024, Playtech expanded its live casino offerings. The partnership with MGM Resorts International introduced MGM Live, a product that streams live casino content directly from the Bellagio and MGM Grand in Las Vegas. This collaboration targets regulated markets, offering operators a premium live gaming experience. Additionally, the launch of exclusive dedicated tables with Betsson Group further enriched the studio's live casino segment.
